Advanced Study Program

June 19, 1974

The Honorable William E. Colby
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Bill:

This letter has a three-fold purpose: (1) to express our collective thanks for your assistance in the past year's conference program, (2) to confirm a request for a special session on August 22 for a group of faculty fellows, and (3) to list the Friday dates of the conferences for business executives scheduled next season.

It is difficult to add to the praise that the Langley sessions for these groups have earned in the past. The letters from participants are laced with words like "informative," "thrilling," and "well done." Our heartfelt appreciation to you, your associates, and your supporting staff for this valuable educational contribution!

The request for a special meeting on August 22 was passed on to Mr. [redacted] by my colleague, Richard Simons, who will be in charge of an orientation to government for approximately twenty-eight faculty members of business colleges. These individuals have been selected to participate in a "Faculty Fellows" program sponsored jointly by the American Assembly of Collegiate Schools of Business and the Sears-Roebuck Foundation. They are drawn primarily from the fields of economics and business administration. They will be assigned to various federal agencies and departments for a period of practical work experience in government.

STAT

Finally, our regular series of conferences for business executives on government operations will resume in December. The dates on which we hope we can again arrange a series of Langley sessions are as follows (each a Friday): December 6 (1974), January 31 (1975), February 28, March 14, March 28, April 11, April 25, May 16, June 6, and June 27.

With best wishes for a good summer,

Sincerely yours,

Peter Malof

Senior Staff Member and
Coordinator of Business Programs
